CO-OPERATIVE SOCIETY LIMITED

VENTURE CREDIT UNION THANKS OUR MEMBERS FOR THEIR ATTENDANCE AND PARTICIPATION IN OUR ANNUAL GENERAL MEETING, HELD VIRTUALLY

We are aware that some Members had technical difficulties with accessing and/or participating fully in our recent AGM.

For this we wholeheartedly apologize as this concerns us deeply.

We are taking steps to understand the root cause of the issues and to improve the online delivery to ensure easier participation next time.

We thank you for your understanding.

Recognizing our appreciation, we are extending the \$100 token, initially to be given to the first 100 Members, to ALL Members registered and who were with us both on zoom and portal.
