VENTURE Credit Union Launches "AI Explorers" Youth Technology Camp 2025

Empowering Tomorrow's Innovators with Future-Ready Skills

June 24, 2025: **VENTURE** Credit Union is proud to announce the launch of its inaugural AI Explorers Youth Technology Camp under the theme "Unlocking the Future of Technology!". Scheduled to run from July 14–18, 2025, this transformative week-long initiative will be hosted at the Lisas Gardens Community Center, Couva, and is open to youth between the ages of 12 and 17 who are members of the Credit Union or children of members.

Organized by **VENTURE**'s Education Committee, the camp is designed to introduce young minds to the world of Artificial Intelligence (AI) and equip them with foundational coding, problem-solving, and critical thinking skills. Through hands-on workshops, interactive sessions, and group projects, participants will explore the real-world impact of AI and technology in shaping the future.

"This camp reflects **VENTURE**'s deep commitment to youth empowerment, digital literacy, and community development," said Hakeem Jordan, Education Committee Officer. "Our goal is to cultivate curiosity and confidence in youth so they can thrive in an increasingly tech-driven world."

Highlights of the Camp Include:

- Introduction to Artificial Intelligence concepts
- Beginner coding workshops
- Creative tech challenges and innovation labs
- Guest speakers and industry professionals
- Fun, engaging team-based activities

The program runs daily from 9:00AM to 2:00PM, and each participant will receive a Certificate of Participation upon completion.

Registration Now Open!

The registration fee is TTD $150, which includes all materials, a T-Shirt, daily refreshments, and access to all camp activities.

Spaces are limited, and early registration is encouraged.

Registration closes: July 5, 2025

Interested participants can register online at:
