Ransomware Attack at **VENTURE** Credit Union.

On Friday July 18th, 2025, **VENTURE** Credit Union Society Limited successfully recovered from a ransomware attack.

Due to the robust cybersecurity measures which we have installed over the past two years coupled with the swift action of our ICT Department, the malicious attempt was detected and neutralised.

We have become aware of information circulating in the public domain and wish to advise that no core banking information has been compromised.

However, some personal identifiable information has been leaked, and we are currently assessing the extent of this breach. We will communicate directly to members who may have been impacted.

We wish to assure you that protecting the security and confidentiality of members information remains our highest priority and we appreciate your continued trust and confidence in **VENTURE** Credit Union.
